

Health Industry Business Communications Council

Registered Labelers: Accredited Auto-ID Labeling Standards

The following companies (and/or their subsidiaries/divisions) have applied for a Labeler Identification Code (LIC) assignment with HIBCC*. By doing so, they have demonstrated their commitment to patient safety and logistical efficiency for their customers, the industry and the public at large.

Any organization that is interested in using the HIBC uniform labeling system may apply for the assignment of one or more LICs.
